ABOUT THE BOOKS

Zany Zia's Hats to Where is a new adventure series for 8 – 12 year olds. In each story, a 'tween visits Zany Zia's hat shop, puts on a hat, and is instantly transported to a different time and place.

In addition to fun and adventure, each book has an underlying character lesson. *An All Knight Adventure* deals with courage and the idea that being brave isn't about not being afraid, but about doing the right thing in spite of your fears. *Lost in Comanche Country* encourages readers to look for the best in others and themselves. The goal is to entertain and engage the kids as they read the stories and let the personal-development lessons sneak in amidst the adventure.

The books are accompanied by online teacher's resources so they can easily be used in classrooms or by home-schooling parents. These resources include history/social studies, language arts, art and science lessons, and even a little home economics with kid-friendly recipes.

Bulk pricing is available for schools, groups, fundraisers and premiums.
